Cement & Concrete SA is the united platform for cement and concrete in SA. CCSA'S portfolio of services and events creates value for all its members through tailored categories of benefits aligned with different member profiles. Membership of this professional body confirms a commitment to ensuring a dynamic industry.

Individual and retired members accept membership in their personal capacity to gain industry relevant knowledge, collaborate and network with peers to stay abreast of trends in the industry.

Corporate members are companies that may join at various levels of benefits and costs. These companies benefit from affordable and targeted marketing to broaden their reach, create brand awareness and remain competitive and relevant in the market. Nominated individuals from the individual companies will be added to CCSA members' database and will be eligible for the benefits accruing at the particular level of membership.
